Borgio delle Tovaglie

The elegance of coated Anti Stain Linen, handcrafted in Italy, characterizes the production of Borgio delle Tovaglie a tradition since 1996.

Thanks to the strong identity and the strong Italian taste of its products, our brand, born as a small company, is now widespread throughout the world in the best furniture stores, with particular reference to the table.

Nevertheless retaining its character as a family company where tailor-made service becomes a distinctive element and the production process retains the attention to detail of an authentic tailoring.

Table Linens

The flagship of our creations, the element that kicked off our production and from which our idea of style has developed is the Anti stain Tablecloths, which combines the beauty of Linen and handcrafted finishing with contemporary life needs.

Available in a very wide range of colors, versatile and suitable for any type of style, from the most eclectic to the most classic, our Tablecloths can be customized in any size in a very short time, thanks to the experience of our skilled craftsmen.

The different collections, characterized by a variety of finishing and fabrics, allow you to create unusual combinations, expression of unique personalities, for everyday life as well for the most special occasions.

Every season we interpret trends with new colors and details to always provide you new inspiring ideas for your unique tablesettings.

Our tablecloths are environmentally friendly because thanks to their anti-stain treatment based on resins, they make them resistant to any type of stain, thus significantly reducing the use of detergents and the consumption of water in our daily lives. Furthermore, our fabrics are free of dangerous polluting agents such as phthalates and formaldehyde.
