Valentina MUGGLIA:

Art director of
BORGO DELLE TOVAGLIE.

“My style evolving with how I feel,
what I am inspired by, who and what
I believe in.”

In the Sometimes Overwhelming Flurry that is Life, Dwell on the Joy of Setting a Table.

In the hustle and bustle of our daily lives, where everything seems to move at lightning speed, take a moment to hit pause. Picture this: a table adorned with our linens, each piece a testament to craftsmanship and elegance. The act of laying out a tablecloth, arranging napkins, and placing cutlery becomes a chance to indulge in the beauty of the moment. Our table linens are more than just accessories; they are the essence of a

well-lived life. They transform an ordinary meal into a celebration, a gathering into a cherished memory. It's about taking the time to appreciate the finer things, to let the elegance of a beautifully set table whisk you away from the everyday chaos. So, go ahead, embrace the joy of setting a table. Let our linens inspire you to create moments of magic and delight: after all, life is too short not to revel in the simple pleasures that bring us joy.

A great party is one where your guests feel right at home, their glasses are always filled, and they leave with full bellies and sore cheeks from laughing. If I'm hosting at home for a night that's been on the calendar, I am a planner through and through. Here's my checklist for and making sure everything goes smoothly:

1-2 Days ahead: get flowers for the house. They take a day or two to open up.

Morning of: set the table. Decide which platters to use.

Day of: prep and cook anything I can so I can avoid time in the kitchen

when guests arrive. Also, keep the kitchen as tidy as possible.

45 Minutes before Guests Arrive: prepare refreshing scented towels for your guests. Roll them neatly and place them in the bathroom.

20 Minutes before guests arrive: choose a personalized playlist that complements the atmosphere and playing softly in background.

15 Minutes before: arrange a selection of light bites in a visually pleasing manner.

If you follow these tips, you can ensure an enjoyable evening for everyone.

About us

The harmony of tradition that meets modern inventiveness: this is what Borgo Delle Tovaglie is for us, the place where our creations are made from fabrics of the highest quality. Our company was founded in 1996, in the heart of the ancient street of weavers in Bologna, from the desire to produce linen tablecloths with a unique and recognizable style, capable of carrying on an ancient tradition in a contemporary key. When in 2005 we - me, Valentina Muggia, and my husband Giuliano Di Paolo - took over the reins of Borgo Delle Tovaglie, we chose to continue the innovative path started by my mother and, at the same time, to bring our eclectic vision of the home to create bespoke environments, from the most essential to the most glamorous. Since then, our products have

been a point of reference in the world of interior decoration, thanks to the union between a traditional aspect and an unprecedented heart of modernity, capable of conquering the best shops of world decor. We like to say that the style of Borgo Delle Tovaglie has no fixed rules because it is cut and sewn to measure, according to the wishes of our customers. At the center, a relationship of close collaboration with the individual, which is born by interpreting their needs and supporting them at every stage, in order to create tailor-made projects, in perfect harmony. All our products, from stain-resistant linen tablecloths, to tablecloths and furnishing fabrics, interpret the home as an intimate place that reflects a style (de vivre) of life, beyond conventions and fashions.
